Unveil First-of-its-Kind

NEUROSCIENCE UNDERGRADUATE HONORS PROGRAM

Designed to recruit and serve the “best of the best,” this latest honors program with the only **Max Planck Institute** in North America will focus specifically on neuroscience and be offered on **FAU’s John D. MacArthur Jupiter** campus.

It will include majors from the **Department of Biological Sciences**, the **Department of Psychology** and concentrations from the **Harriet L. Wilkes Honors College**.
