

DEPARTMENT OF  
PSYCHOLOGY

Charles E. Schmidt College of Science  
Florida Atlantic University

**Florida Atlantic University  
Department of Psychology  
Instructor Position**

The Department of Psychology at Florida Atlantic University invites applications from outstanding candidates for a permanent, non-tenure track position as Instructor beginning August 2019. The primary responsibility for this position is teaching undergraduate courses in experimental design and statistics. In addition, the successful candidate will be expected to coordinate an undergraduate statistics lab course that is taught by graduate students. This is a 12-month position and Instructors typically teach a 4-4 course load (or equivalent in instructionally-related activities) for each long semester and a 2 course (or equivalent in instructionally-related activities) load for the summer. The ideal candidate will bring to the department an enthusiasm and dedication to teaching, innovative pedagogical techniques, and a desire to support graduate student training within this context. Finally, the instructor hired will be expected to engage positively with the students, provide academic advisement, and support our culture of collegiality.

Florida Atlantic University, with its main campus in Boca Raton, FL, is a rapidly growing institution that supports the training of more than 25,000 students. It is one of the most ethnically diverse institutions in the Florida state university system, with status as a Hispanic-serving institution. Successful candidates will share the Department of Psychology's commitment to an inclusive environment and to work effectively with students, faculty, and staff from diverse backgrounds. Our community features excellent schools, a vibrant and safe community, and a sub-tropical climate conducive to year-round outdoor activities.

Candidates should hold a Ph.D. or equivalent degree and are asked to submit electronic copies of a cover letter, current curriculum vitae, statement of teaching philosophy and history, and the names and contact information of at least three references.

Review of applications will begin on November 15, 2018 and will continue until the position is filled. Application materials should be submitted electronically through [https://fau.wd1.myworkdayjobs.com/en-US/FAU/job/Boca-Raton/Instructor\\_REQ04814](https://fau.wd1.myworkdayjobs.com/en-US/FAU/job/Boca-Raton/Instructor_REQ04814)
